**Announcement for 2023 –**

**Bavarian Gender Equality Grant 2023 (for Women in Academia)**

**- Deadline for applications: 15 January 2023-**

Esteemed Colleagues,

The Bavarian State Government is using special state resources to continue funding its programme for women in research and teaching in 2023. Within the limits of the funding made available to the University of Bayreuth, scholarships will be awarded to female scholars.

**Preferential treatment** will be given to scholarships for women in the qualification phase after completion of a doctorate. The following are available:

- Scholarships for female scholars after completing a doctorate (after having completed the oral examination)
- Scholarships for female scholars pursuing a *Habilitation* (with a registered mentor)
- Scholarships for female scholars after completing a *Habilitation* (or equivalent)
- Scholarships for returning after a family phase (also PhD students)

Applicants can receive additional information by contacting the Gender Equality Service Centre. Applications must be submitted to **the Women's Representative of the faculty by 15 January 2023 at latest**. Please note the new requirements. Further details and the application form are available online at: [www.frauenbeauftragte.uni-bayreuth.de](http://www.frauenbeauftragte.uni-bayreuth.de)

Please help us by announcing this scholarship programme within your faculty.

Yours faithfully,

**Miriam Bauch**

Head of the Gender Equality Service Centre
